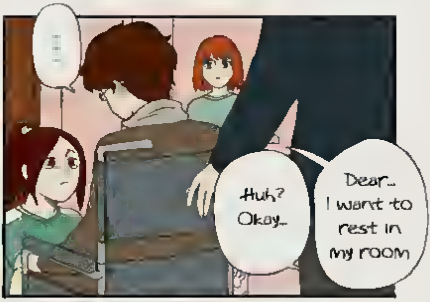
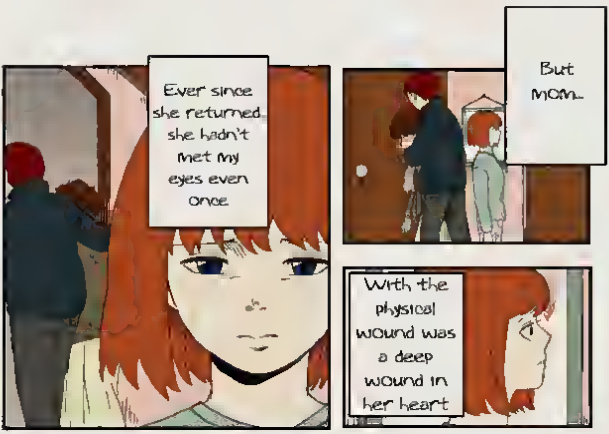
Mom!
Uwa~! Welcome home!
My mom was discharged from the hospital
and came back home

But...

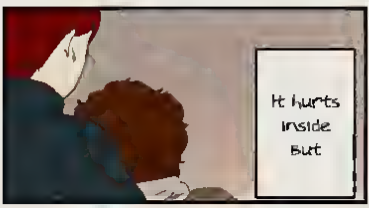
Mom..



...
Huh? Okay...
Dear... I want to rest in my room

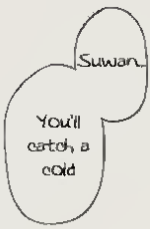


Ever since she returned, she hadn't met my eyes even once
But mom...
With the physical wound was a deep wound in her heart

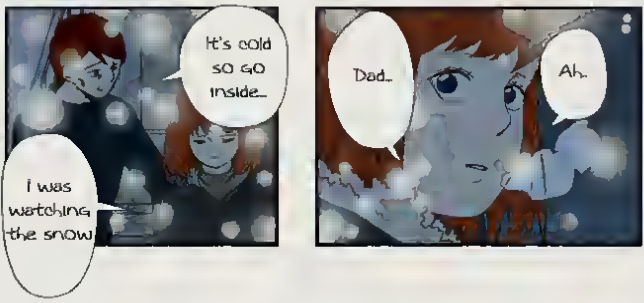


It hurts inside but

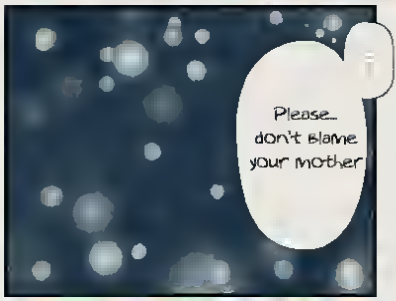
couldn't find the words to say to my mom
I also



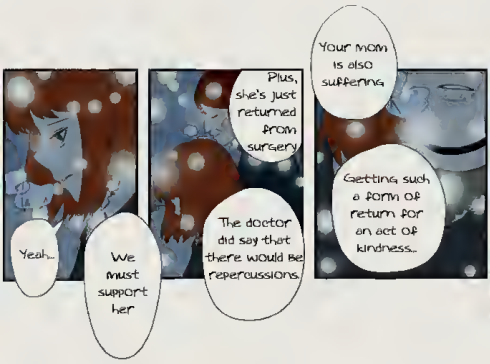
Suwan..
You'll catch a cold



It's cold so go inside..
I was watching the snow
Dad..
Ah..



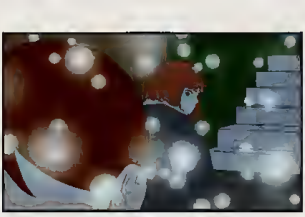
Please.. don't blame your mother

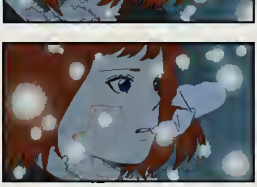


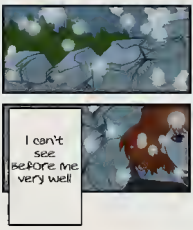
Yeah...
We must support her
Plus, she's just returned from surgery
The doctor did say that there would be repercussions
Your mom is also suffering
Getting such a form of return for an act of kindness...

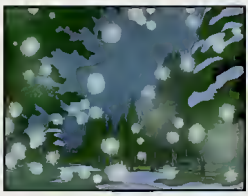
You're right...

I'm gonna take a walk
Yes...
Then come home quickly
Now, let's head back in

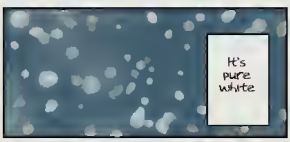








I can't see before me very well



It's pure white

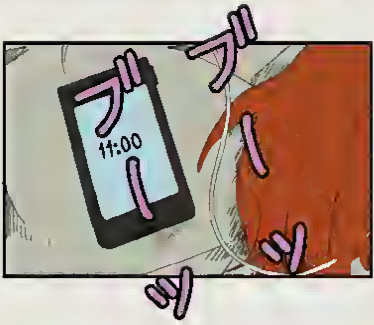
I was so small and helpless

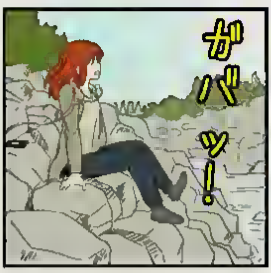
I was too much of a child

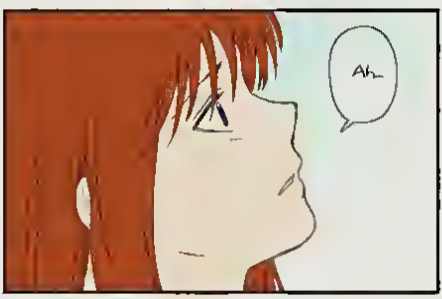
to accept everything.

ブーッ

ブーッブーッ…







That dream again…

ドキドキ ミニズキズキ

You're always like this...
It's OK!
Suwan! Aren't you already late?
Late? Very!

Because it doesn't seem like the professor takes attendance!
Alright! Anyway, you must hurry!

バタン
The body's that of an elementary school kid's, though...
That's a college student, huh...
I'm off!
Yes!
Be careful!

Put on your skirt! And eat breakfast!
Don't talk about others like that!
ゴツン
Ouch!

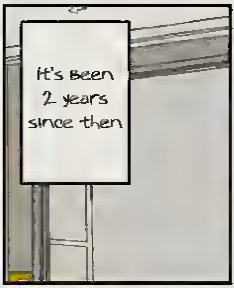
I've gotten used
to my college life



It's been 2 years since then

駅

We moved, although it was disorganized
Suwan, get the shampoo for me~
Hm?
I was watching a good part!
Sorry
We somehow did it

I had to run away the arrowsies.
Even, though time has passed.

It seems, like the... end by Randy.
Oh, that's rare.
It isn't, will most OKAY!
Ah!
I can't look at her eye directly
Shall I wash your back?
need a bit warm time.

I started my days like as a new student.
That is how.

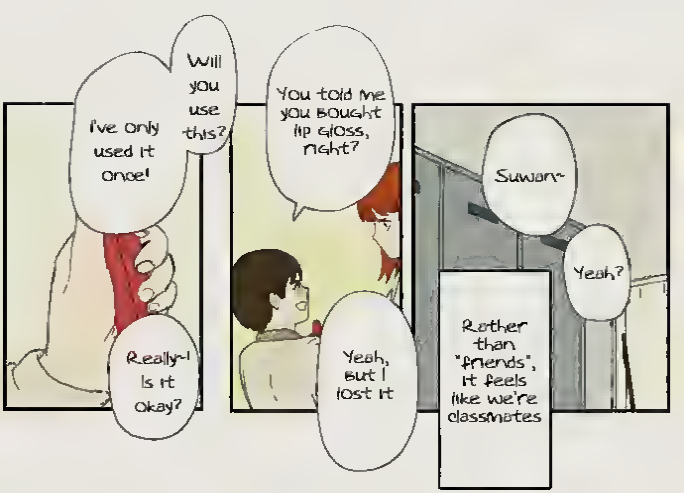
BOSS

Every- thing is fresh.
New room. New people

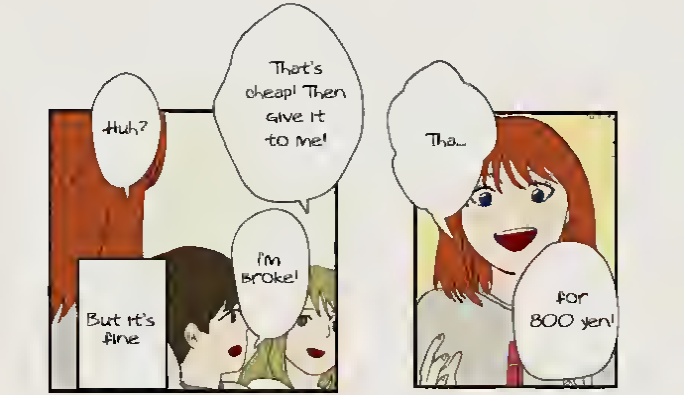
Actually, I started late.
Yeah, I'm sorry, but I'm not going to apologize for it.
Yes.

I knew it! I felt like I had seen you in the hallway before!
Really?
Ah, yes!
You're from A high school, right?
Me, too!
ガヤ ガヤ
Oh no, they've already made groups...
Hey
I'm glad!

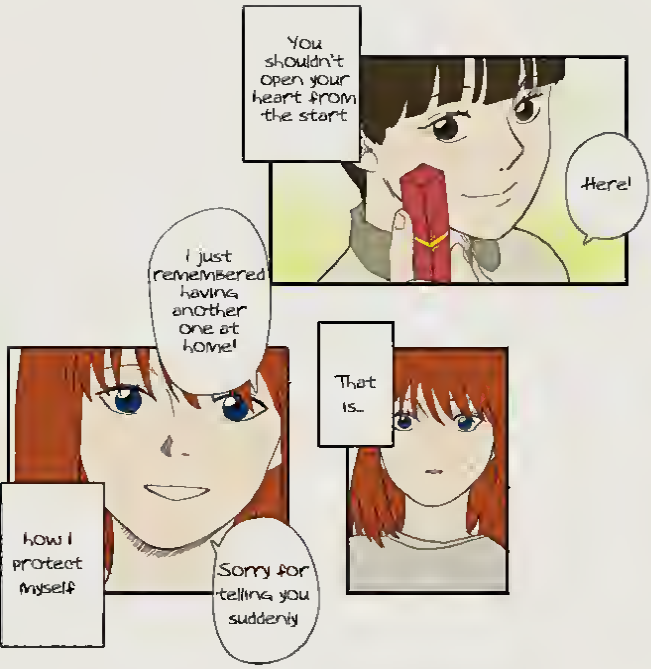
Somehow I struggled through



Will you use this?
I've only used it once!
Really~! Is it okay?
You told me you bought lip gloss, right?
Yeah, but I lost it
Suwan~
Yeah?
Rather than "friends", it feels like we're classmates

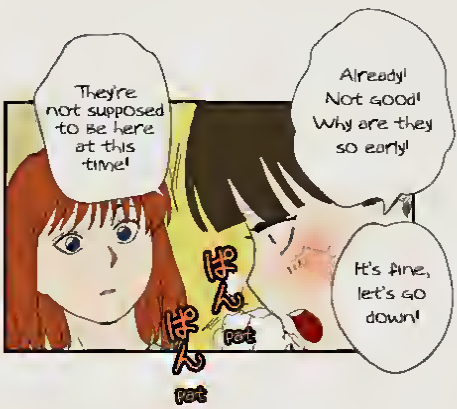


Huh?
That's cheap! Then give it to me!
I'm broke!
But it's fine
Tha...
for 800 yen!



You shouldn't open your heart from the start
Here!
I just remembered having another one at home!
That is...
Sorry for telling you suddenly
how I protect myself

The senpai are coming!
早く!
早く!
Hurry! Hurry!
Konomi!
Ah... really?
Yes! Please! Please!



They're not supposed to be here at this time!
Already! Not good! Why are they so early!
It's fine, let's go down!

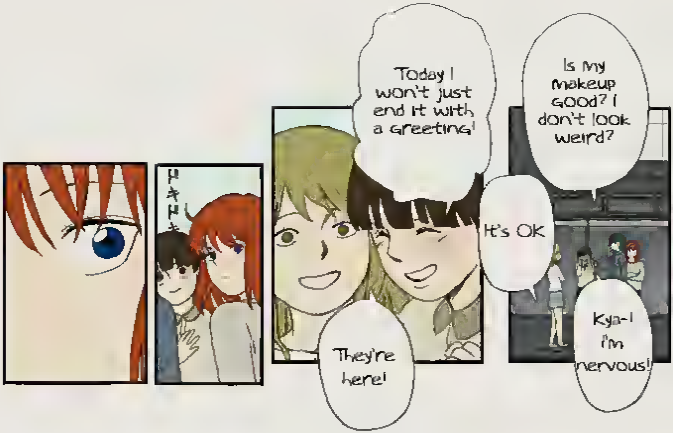
Suwan, come, too!
Hm? Ah..
Don't you want to see my crush?
Not really..
Being by yourself is also hard
It requires effort
Well, this is also a part of this relationship..
I'm tired

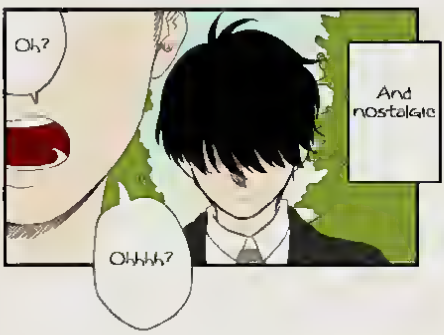


Today I won't just end it with a greeting!
Is my makeup good? I don't look weird?
It's OK
They're here!
Kya-! I'm nervous!!

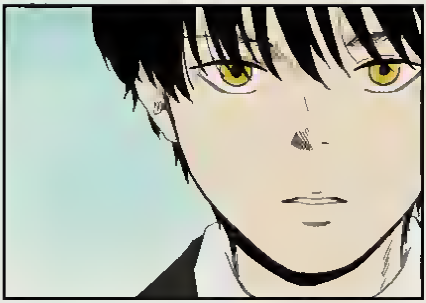
The wind BlOws.

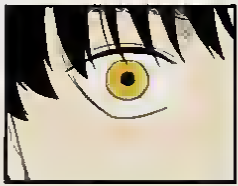
It's fresh.

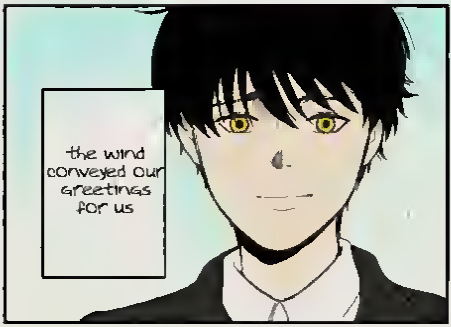
He looked at me!
Definitely!
Really? Wha~!



Oh?
And nostalgic
Ohhh?







...And we're done! Thank you to everyone for reading!
As promised, I'll be stopping here. Someone requested that I put up summaries for the rest of the chapters and I MIGHT do that... We'll see.
The ending isn't the happiest, and I know people won't like that. Sorry...

I remember reading the Korean version and not understanding it, and being like "WHYYY IS SHE RUNNING AWAY FROM HIM!?"
Now that I finally know, I can rest in peace lol

Uhm...the semester's starting, so I'll have to focus on that and take another break... Oh yeah, thank you everyone for being so understanding of my break and even wishing me luck on my studies ^^.
You guys are the best! I couldn't ask for better readers!
Ugh, I think tearing up ;-;

And if you actually read this whole, unnecessarily long message, thank you again! Until (hopefully) next time!
